MEMORANDUM FOR THE RECORD

SUBJECT: EO/DD/S&T Staff Meeting - 16 March 1967

1. ACTION ITEMS

All Officers - paragraphs 3 and 5

25X1A

2. [] announced that the Program Call is now in the final typing stages.

25X1A

3. [] urged anyone who has anything to do with contracts to be sure that they are moved in and out very quickly.

25X1A

4. [] mentioned that the NRO budget call is out. The deadline for the Offices, with the exception of ORD and OEL, is 12 April for the '68 and 28 April for the '69-'73. ORD and OEL should have theirs in by 5 April.

25X1A

5. [] announced that he is revising the cable routing procedures as follows: all immediate-interest cables will be pulled as they are received and routed to the EO/DDS&T and the A/DD/S&T. Others of just general interest will be placed on a cable^{board} marked "A" Cables, and routed to [] then throughout the O/DD/S&T. These will be circulated once or twice a day. All others will be left on the board and routed on a routine basis. [] urged everyone to please keep the cable boards moving as quickly as possible.

25X1A

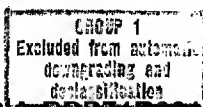

25X1A

25X1A

25X1A

6. [] announced that the first day's session of the Contract Management Course (March 29) will be held in the OCR theater, Room 1E 78. The other two days' sessions will be in Room 1A 07.
